Announcement

While we had discontinued holding annual sales for the last several years on account of drouth, we sold much of our surplus in combination sales during the year. This year however, Mr. Rudy Egger, Ernest Retzlaff and I are offering to the public the most useful lot of well bred cattle that has been sold for a long time. The herds of which, these cattle are drafted from, are among the oldest in the United States, and no breeder, has been more consistent in buying their herd bulls than we have.

Brawith Rambler at the head of Mr. Egger's herd is proving a successful sire of sale topping cattle. In this offering you will find 5 bulls and 5 heifers sired by him, that are as good as will be offered by one sire.

Brawith Nugget probably has more friends than any other bull doing service in the middle west, his shortness of leg, thickness of body, and perfect head is admired by all that see him. By his first crop of calves we consider him the greatest breeding bull we have ever used, without question.

Browndale Clipper King, recently purchased from James Douglas & Son, conceded to be one of the best bulls to come to the States in recent years, now is at head of Geo. W. Retzlaff & Son herd. He follows Divide Cavalier, by Browndale Archer, and Browndale Monarch one of the best breeding bulls by Browndale Count.

Other outstanding breeding bulls represented in this offering, are Browndale Mint, that has probably sired more good females than any other bull doing service in this state in recent years. Browndale Earl by Browndale Count and Divide Nugget by Browndale Archer have earned a good reputation as breeding bulls in our herds.

I doubt if there will be another offering of sale cattle as closely related to the famous Browndale Count as this offering.

Golden Chain 35th is the first heifer of this highly prized Golden Chain family, that we have offered in a long time. They are producers of both good bulls and heifers, and you will not be disappointed in this heifer. She is safe in calf to Browndale Clipper King since May 10th. We feel that she will be a valuable addition to any herd.
